## Episode 4: Password Security

AS SLACK AWOKED THAT MORNING HE HAD AN IDEA!

I'M GOING TO "BORROW" FAITH'S PRESENTATION AND CLAIM IT AS MY OWN. SHE'S A CLEVER GIRL, SHE WILL BE ABLE TO IMPROVISE ON THE SPOT!

AT WORK THE NEXT DAY, HE SEARCHED FAITH'S DESK LOOKING FOR HER COMPUTER PASSWORD

Office of Faith Khumalo

MEMO Password Fluffball

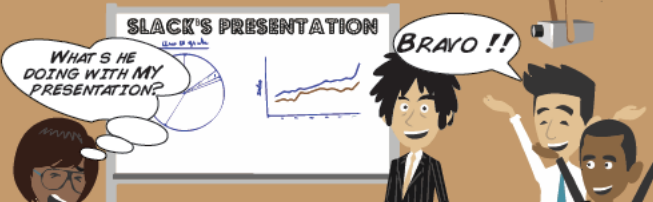

HERE IS FAITH'S PASSWORD ON THIS STICKY NOTE - HER CAT'S NAME! HEHEHE!!

THAT WAS EASIER THAN I THOUGHT! THE JOB IS MINE!!

SLACK COPIED FAITH'S PRESENTATION ONTO HIS USB FLASH DRIVE...

SLACK'S PRESENTATION

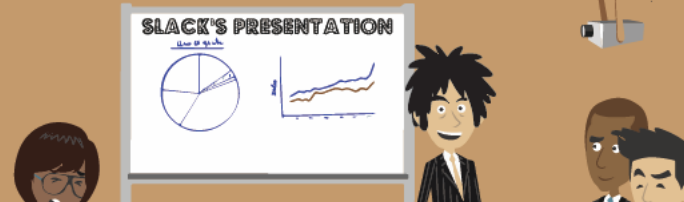

WHAT'S HE DOING WITH MY PRESENTATION?

BRAVO !!

BRILLIANT SLACK !!

SLACK'S PRESENTATION

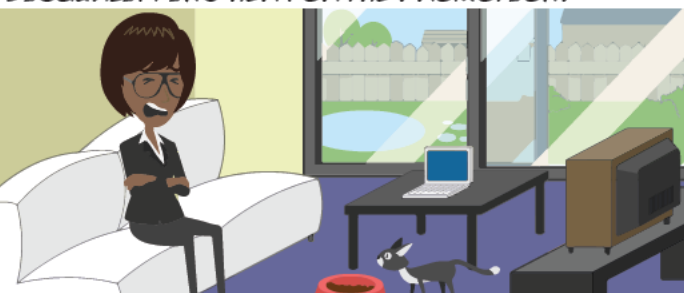

ALRIGHT FAITH, IT'S YOUR TURN TO BLOW US AWAY NOW.

SLACK'S PRESENTATION

I CAN'T BELIEVE YOU'D DO THAT, SLACK!!

FAITH KHUMALO LEFT THE BOARD ROOM AND DIDN'T GIVE HER PRESENTATION - IMMEDIATELY DISQUALIFYING HER FOR THE PROMOTION!

LEAVING HER AND FLUFFBALL WITHOUT A VACATION FOR THE NEXT FEW YEARS...

## Msizi the meerkat on PASSWORD SECURITY:

1. Ensure your passwords are not basic. Involve symbols, numbers upper and lowercase letters
2. Do you use the same key for your car, house and safe? No - have different passwords for your different accounts.
3. NEVER write your passwords down!
4. Ensure you sign out of your accounts/devices when you are not using them.
